

Annex B.iii. Photograph: Test Setup Photo

 A photograph showing a white rectangular test chamber on a white table. Inside the chamber, there is a small electronic device and some cables. The chamber is positioned in front of a large, white, cylindrical anechoic chamber. A red tripod-mounted antenna is mounted on top of the chamber. The background is a white wall with a black grid pattern.	 A photograph showing a white rectangular test chamber on a white table. Inside the chamber, there is a small electronic device and some cables. The chamber is positioned in front of a large, white, cylindrical anechoic chamber. A computer monitor is mounted on a stand above the chamber, displaying a software interface. The background is a white wall with a black grid pattern.
