Nemko-CCL Test Reports V035269.03 and V035269.03:

- a. The manufacturer or responsible party for the equipment tested hereby affirms:
- b. That he/she has reviewed and concurs that the tests shown in this report are reflective of the operational characteristics of the device for which certification is sought;
- c. That the device in this test report will be representative of production units;
- d. That the product will have all of the documented modifications incorporated into the product when manufactured and placed on the market;
- e. That all changes in hardware and software/firmware to the subject device will be reviewed.
- f. That any changes impacting the attributes, functionality or operational characteristics documented in this report will be communicated to the body responsible for approving or certifying the subject equipment.

A handwritten signature in black ink, appearing to read "Ryan Smith".

Ryan Smith

President & CEO
