A black, square-shaped object with rounded corners is shown on a blue surface. The object features a grid pattern of thin black lines, creating a 3x3 grid of larger squares. A yellow ruler is placed horizontally below the object, showing measurements in centimeters from 0 to 60. The object's width is approximately 45 cm. Another yellow ruler is placed vertically to the left of the object, showing measurements in centimeters from 0 to 35. The object's height is approximately 35 cm. The object appears to be a flat, possibly flexible, material.
