CONNECT WITH SMART DEVICES

Connect smart devices in dual earphones mode

- When first using, open the charging case and take out earphones, the earphones will enter into TWS pairing mode (when power on, the white light flashes 1S and then flash quickly on both earphones)
- The L & R earphones will connect with each other successfully in 3S, then enter into pairing mode, the master earphone flashes blue and white light alternatively, and the slave earphone light goes off.
- Please search and connect with the "TECNO Buds 4 Air", and both of the earphones light will go off when pairing successfully
