

Appendix D

1. Test Sample

Photo 1: Front View	Photo 2: Back View
 A photograph showing the front view of a small, black, rectangular object. The object is positioned on a blue surface. A metal ruler is placed vertically to the left of the object, with the 10 cm mark aligned with the top edge of the object. Another metal ruler is placed horizontally below the object, with the 10 cm mark aligned with the left edge of the object. The object appears to be a small electronic component or a piece of hardware.	 A photograph showing the back view of the same small, black, rectangular object. The object is positioned on a blue surface. A metal ruler is placed vertically to the left of the object, with the 10 cm mark aligned with the top edge of the object. Another metal ruler is placed horizontally below the object, with the 10 cm mark aligned with the left edge of the object. The object appears to be a small electronic component or a piece of hardware.
