

Brighter Days Are Here

Twist

Twist your speaker into any light socket and flip it on.

Download

Download the Twist Home App from the Apple App Store™ and follow the simple setup.

Enjoy

Start streaming music or podcasts from any app straight to your lights. Mind. Blown.

Setup Requirements:

- Device running on iOS 8 or later
- 2.4GHz WiFi connection (802.11 b/g/n)

Best Places for Your Speaker:

Put your speaker into any standard light socket within 50 feet of your WiFi router. For best performance, avoid fully enclosed and dimmable fixtures.

Stream a Song to Multiple Speakers:

Open iTunes on your computer and tap the AirPlay icon. Select the speakers you want to stream to and jam out.

Resetting Your Speaker:

Reset your speaker within the Twist Home App or flip the light switch on and off 5 times. Performing a reset will wipe all stored settings.
