Re: Identification Authorization

Date: 22 05, 2015

Dear Sirs:

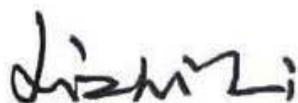

Due to our business needs, the IoT division of OPLink is split as an independent company called "Mivatek Limited". In this authorization, Mivatek Limited is authorized to apply to laboratories for CE/FCC/Japan certification under the classification of the product. The applicant is changed to Mivatek Limited and the address is changed to 5/F, SPA Centre 53-55 Lockhart Road Wanchai, Hong Kong.

These products listed below are authorized:

| No. | FCC Report No. | CE Report No. | Japan Report No. | Product Name | Model Number | FCC ID (Date of Grant) |
|-----|--------------------------------------|------------------|------------------|--------------|--------------|--------------------------|
| 1 | 14-06-RBF-038-04 14-06-RBF-038-05 | 14-06-RBF-038-01 | 14-06-RBF-038 | OPU router | OPU3120 | OS3OPU04 (09/24/2014) |

These products are made only Label change. The electrical characteristic has no any changes.
The original test results remain representative and applicable.

Sincerely,

Zhuhai FTZ Oplink Communications, Inc.
