Re: Operation Statement

The following table lists the identifiers for the existing certification and the new application:

	Original Certification ID Tantalus Systems Corp.	New Application Petra Systems Inc.
FCC ID	OZFSC5411A (granted June 23, 2017)	2AE5FSC5411A

I hereby attest that there are no changes in the design, circuitry, or construction of the device in question and that all documents on file with the FCC for the Original Certification remain in force for this New Application.
