Subject: Change of Identification Authorization, FCC ID: TFB-TIWI1-01

Date: August 11, 2015

To Whom It May Concern:

This letter grants authorization for representatives of Medtronic to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules.

This authorization applies to LS Research, LLC, FCC ID: TFB-TIWI1-01.

We are aware that Medtronic intends to market the above referenced product under their own FCC ID: 2AE5J-CS35001. The originally approved model is identical in design and construction to the model that Medtronic will integrate into their products, under portable conditions.

This acknowledgement letter does not grant permission for the FCC, a TCB (Telecommunication Certification Body) or any other entity to provide Medtronic access to confidential information.

LS Research does not take ownership or responsibility for any modifications or changes Medtronic may have made to LS Research's certified module. It is LS Research's understanding that Medtronic plan is to leverage LS Research's existing data and confidential documents for a module certification and therefore has taken the necessary ownership for the module and their product certification.

Sincerely,

William Steinike  
President of LS Research, LLC
