User Manual

Please follow the instructions below to set up this optical mouse:

1. Turn the mouse upside down and hold it directly on your palm and withdraw the USB receiver.

2. Plug the USB receiver into the USB port of your computer.

3. Pull out the battery compartment cover and insert two AAA batteries into the compartment, polarity as instructed.

4. Replace the battery compartment cover.

5. Turn the switch on the bottom of the mouse to "ON".

6. The mouse is now ready for use.

FCC Warning Statements:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
