M2-GO

REGULATORY AND SAFETY GUIDE

Leitfaden für Sicherheit und Vorschriften

RØDE

Important Safety Information

1. Read and understand the instructions and safety guide completely before using the product.
2. Ensure both the instruction manual and regulatory and safety guide are accessible to all users, including when passing the product on to third parties.
3. Only use this product with authorised RØDE accessories.
4. Do not open the product housing. This will void the warranty.
5. Refer all service and repairs to RØDE-approved service personnel. Service or repair is required for products that have been damaged, exposed to liquid, rain or moisture, or do not operate normally.
6. Use the product only in the ways described in the instructions.
7. Do not use the product if it was damaged during transportation.
8. Keep the product away from liquids and electrically conductive objects that are not necessary for the operation.
9. Do not use any solvents or corrosive cleaning agents to clean the product.
10. Do not adjust the control of the product in an environment that requires your attention (Operating machinery, driving, etc.).
11. A battery cannot be subjected to high or low extreme temperatures, low air pressure at high altitudes during use, storage or transportation.
12. Replacement of a battery with an incorrect type can result in an explosion or the leakage of flammable liquid or gas.
13. Disposal of a battery into fire, or a hot oven, mechanically crushing or cutting of a battery, can result in an explosion.
14. Leaving a battery in an extremely high temperature surrounding environment can result in an explosion or the leakage of flammable liquid or gas.
15. A battery subjected to extremely low air pressure may result in an explosion or the leakage of flammable liquid or gas.

Wichtige Sicherheitsinformationen

1. Die Anweisungen und der Sicherheitsleitfaden sind vor der Verwendung des Produkts vollständig zu lesen und zu beachten.
2. Stellen Sie sicher, dass sowohl die Betriebsanleitung als auch der Leitfaden für Vorschriften und Sicherheit für alle Benutzer zugänglich sind, auch bei Weitergabe des Produkts an Dritte.
3. Verwenden Sie dieses Produkt nur mit autorisiertem RØDE-Zubehör.
4. Öffnen Sie das Produktgehäuse nicht. Dadurch entfällt die Garantie.
5. Überlassen Sie alle Service- und Reparaturarbeiten von RØDE autorisiertem Servicepersonal. Bei Produkten, die beschädigt wurden; die Flüssigkeit, Regen oder Feuchtigkeit ausgesetzt waren; oder die nicht normal funktionieren, ist eine Wartung oder Reparatur erforderlich.
6. Verwenden Sie das Produkt nur auf die in der Anleitung beschriebene Weise.
7. Verwenden Sie das Produkt nicht, wenn es beim Transport beschädigt wurde.
8. Halten Sie das Produkt von Flüssigkeiten und elektrisch leitenden Gegenständen fern, die für den Betrieb nicht erforderlich sind.
9. Verwenden Sie zur Reinigung des Produkts keine Lösungsmittel oder ätzende Reinigungsmittel.
10. Nehmen Sie keine Einstellungen am Produkt vor, wenn Sie in einer Umgebung sind, die Ihre Aufmerksamkeit erfordert (Bedienung von Maschinen, Autofahren usw.).
11. Die Batterie darf während des Gebrauchs, der Lagerung oder des Transports keinen extremen Temperaturen, niedrigem Luftdruck oder großer Höhe ausgesetzt werden.
12. Das Ersetzen einer Batterie durch einen falschen Typ kann zu einer Explosion oder zum Austritt von brennbarer Flüssigkeit oder Gas führen.
13. Das Wegwerfen einer Batterie ins Feuer oder in einen heißen Ofen oder mechanisches Zerkleinern oder Zerschneiden einer Batterie kann zu einer Explosion führen.
14. Wenn Sie die Batterie extrem hohen Temperaturen aussetzen, kann dies zu einer Explosion oder zum Austreten von entflammenden Flüssigkeiten oder Gasen führen.

15. Wenn Sie die Batterie extrem niedrigem Luftdruck aussetzen, kann dies zu einer Explosion oder zum Austreten von brennbaren Flüssigkeiten oder Gasen führen.

North America

The M2-GO must not be co-located or operated in conjunction with any other antenna or transmitter.

The device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of more of the following measures:

1. Reorient or relocate the receiving antenna.
2. Increase the separation between the equipment and receiver.
3. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
4. Consult the dealer or an experienced radio/TV technician for help.

This equipment complies with FCC radiation exposure limits set forth in an uncontrolled environment.

Changes or modifications not expressly approved by RØDE could void the user's authority to operate the equipment.

This device contains license-exempt transmitter(s)/ receiver(s) that comply with Innovation, Science and Economic Development Canada's license-exempt RSS(s). Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

- (1) L'appareil ne doit pas produire de brouillage;
- (2) L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

EU Compliance Statement

Hereby, RØDE Microphones declares that the radio equipment type M2-GO is in compliance with Directive 2014/53/EU.

The full text of the EU declaration of conformity is available at the following internet address: <https://rode.com/m2-go>

Frequency Range: 2.402 - 2.480 GHz

Maximum Output Power: < 10dBm

For details of EU representative go to <https://en.rode.com/distributors>

EU - KONFORMITÄTSERLÄRUNG

RØDE Microphones erklärt hiermit, dass das M2-GO der Funkemissionsrichtlinie Richtlinie für Funkanlagen 2014/53/EU entspricht.

Eine Kopie der Konformitätserklärung finden Sie unter <https://rode.com/m2-go>

Frequenzbereich: 2,402 - 2,482 GHz

Maximale Ausgangsleistung: < 10dBm

Einzelheiten zur EU-Vertretung finden Sie unter <https://en.rode.com/distributors>

NCC Compliance Notice

取得審驗證明之低功率射頻器材，非經核准，公司、商號或使用者均不得擅自變更頻率、加大功率或變更原設計之特性及功能。低功率射頻器材之使用不得影響飛航安全及干擾合法通信；經發現有干擾現象時，應立即停用，並改善至無干擾時方得繼續使用。前述合法通信，指依電信管理法規定作業之無線電通信。低功率射頻器材須忍受合法通信或工業、科學及醫療用電波輻射性電機設備之干擾。

Without permission granted by the NCC, any company, enterprise, or user is not allowed to change frequency, enhance transmitting power or alter original characteristic as well as performance to a approved low power radio-frequency devices. The low power radio-frequency devices shall not influence aircraft security and interfere legal communications; If found, the user shall cease operating immediately until no interference is achieved. The said legal communications means radio communications is operated in compliance with the Telecommunications Management Act. The low power radio-frequency devices must be susceptible with the interference from legal communications or ISM radio wave radiated devices.

Note of Disposal

WEEE Directive (2012/19/EU)

The crossed-out bin symbol on a product and/or packing indicates that this product should not be discarded with general domestic waste, but must be collected separately at the end of its service life. Please observe the legal regulations on electrical waste segregation and disposal applicable in your country.
