QUICK START GUIDE

1. Charge RC Tumbler for 2 hours.
2. Download the RC Tumbler's Free App from the iTunes® App Store™ (for Apple® devices), or Google Play™ (for Android devices).
3. Slide RC Tumbler's power switch to 'on' and when the white LED blinks, go to the Wi-Fi connection in the settings menu on your device to sync.
4. Open the RC Tumbler App. The driving controls and live video will appear on your device's screen.
