CAUTION</b></p> <p>When used in the directed manner, this unit has been designed and manufactured to ensure your personal safety. However, improper use can result in potential electrical shock or fire hazards. Please read all safety and operating instructions carefully before installation and use, and keep these instructions handy for future reference. Take special note of all warnings listed in these instructions and on the unit.</p> <ol style="list-style-type: none"> <li>1. The unit should be stored and used under room temperature environment.</li> <li>2. The unit should not be used under water and in a humid environment.</li> <li>3. The unit should not be thrown, as damage could result.</li> <li>4. The unit should not be disassembled or repaired by an unauthorized person.</li> <li>5. The built-in Li-ion battery should not be thrown into the fire or any other place to avoid hazards.</li> <li>6. The unit should only be cleaned with a dried cloth.</li> <li>7. The unit should be serviced and repaired by the qualified personnel when it is damaged in any way.</li> </ol>	<p><b>V. WARNING</b></p> <ol style="list-style-type: none"> <li>1. Please read all safety and operating instructions carefully before use.</li> <li>2. In order to prolong the unit's life and protect your health, please do not listen to the music under high volume environment for a long time to avoid damaging your hearing.</li> <li>3. Please switch off the power and pull up the plug immediately, if any device malfunction happens.</li> <li>4. Please charge in time, or it will affect the BT connection when the battery runs low.</li> <li>5. Please refer to the user manual to resolve any setting and function problems. If you have some other operating problems caused by this unit, please call and ask our customer service teams for help.</li> </ol> <p>China Service Hotline: 400-7777-315 SHENZHEN THECOO TECHNOLOGY CO.,LTD. E: thecoo@thecoo.com.cn W: www.thecoo.com.cn</p>	<p><b>VI. WARRANTY</b></p> <p>This limited warranty does not affect the Consumer's statutory rights under law. THECOO maintenance is based on the original invoice &amp; cash receipt that was provided by dealers with complete purchasing date, dealer name and product model. The warranty period is 12 months from the date of original purchased. (Main parts' maintenance would be 24 months: PCB board, drives). This limited warranty does not cover: <ol style="list-style-type: none"> <li>1. To alter the purchasing vouchers without permission. (can not be identified).</li> <li>2. Product model or serial number was removed, altered and different from the product type certified. (can not be identified).</li> <li>3. Product that has been damaged due to repairs, reinstallation and modification by unauthorized service organizations or persons.</li> <li>4. Been used for commercial purpose.</li> <li>5. Damages caused by wrong operation, or operate under an unworkable environment which was not recommended.</li> <li>6. Damages caused by using unrelated peripheral equipments, additional equipments or accessories that was not recommended by THECOO.</li> <li>7. Accident damages included but not limited to lightning, abnormal voltage, water, fire, flood, nature, accident.</li> <li>8. Damages caused by animals.</li> <li>9. Damages caused by consumable parts (these parts are considered to be consumable ones according to their performance).</li> </ol> THECOO reserves the right to amend the terms and conditions if necessary.</p>	<p><b>VII. FCC STATEMENT</b></p> <p>This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: 1) this device may not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation.</p> <p>Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: <ol style="list-style-type: none"> <li>1. Reorient or relocate the receiving antenna.</li> <li>2. Increase the separation between the equipment and receiver.</li> <li>3. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.</li> <li>4. Consult the dealer or an experienced radio/TV technician for help.</li> </ol> Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.</p> <p>This device is measured RF output power is less than the SAR exclusion threshold value for human head and body. Therefore, SAR test is not necessary.</p> <p> China Service Hotline 400-7777-315 <a href="http://www.thecoo.com.cn">www.thecoo.com.cn</a></p>
Bluetooth Version	Bluetooth2.1+EDR																											
Output power	2W x1																											
Driver Unit	4Ω/2W 33mm																											
Frequency Response	120Hz~18kHz																											
S/N Ratio	≥75dB(Except charging condition)																											
THD	≤0.1% (Output 1v@1kHz)
