TROUBLESHOOTING

The APP cannot find my PAL device.
Ensure the PAL device is near your smartphone and your Bluetooth® is on. Then follow the Set Up PAL or Syncing Your PAL Device instructions.

Check to see if you have a Bluetooth LE smartphone device. For a full list of Bluetooth Smart products go to:
www.bluetooth.com/Pages/Bluetooth-Smart-Devices-List.aspx

What is the Unique ID on the back of the PAL device?
PAL's Unique ID is used to help reunite pet parents with their lost dogs. You can submit your Unique ID by clicking Register with Details in the Details PAL App Settings.

Is PAL waterproof?
PAL is weatherproof, but not waterproof. Do not submerge PAL in water.

Battery life and replacements
On average, PAL has a 3–4 month battery life. Differences in usage and frequent syncing will affect the battery life. PAL uses a CR2032, lithium battery. Go to www.DetailsDog.com to order a replacement battery or visit your local hardware store.

Other questions? Go to www.DetailsDog.com or contact customer support at customerservice@detailsdog.com.

CREATE AN ACCOUNT & SET UP PAL

1. On your smartphone – home screen, open the Details PAL App.
2. Tap an icon to create a new Account (Facebook, Twitter, Email).
3. Create your dog's profile and tap DEVICE SET UP.
4. Tap YES WE HAVE A DETAILS PAL.
5. Follow the instructions to setup your PAL device:

      a. To wake your PAL up from sleep mode use a pen, paper clip or other small pointed object to press the button on the back of the device.

      b. Hold the button down until the LED lights on the front of the device begin to blink.

You're all set! The device is now in broadcast mode and can begin tracking your dog's activity. **The App will determine your dog's Activity Goal 24 hours after the initial sync.**

VIEWING YOUR DOG'S ACTIVITY/NUTRITION DIARY AND GOAL

1. In the Details PAL App, tap on your pet's profile.
2. Tap on your dog's photo in the top left corner of the screen.
3. View your dog's Activity and Nutrition Goals.
4. Tap on the Activity or Nutrition Diary to see your pet's daily, weekly and monthly progress.
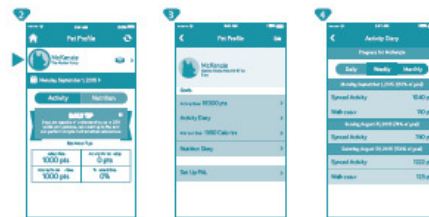

SYNCING YOUR PAL DEVICE

1. On your smartphone – home screen, open the Details PAL App.
2. Login.
3. Tap on your pet's profile.
4. Tap the sync (⊙) button in the top right corner of the screen.
5. Tap SYNC WITH PAL.

LOGGING YOUR DOG'S FOOD

1. In the Details PAL App, tap on your pet's profile.
2. Tap NUTRITION.
3. Tap the dog food bowl in the top right hand corner of the screen.
4. Select your dog's brand of dog food from the list or tap the plus (+) button to manually add a dog food brand.
5. Choose the type of food (dry or wet).
6. Set the serving size and tap the plus (+) button in the top right hand corner to add the food.

WEEE Notice

According to Directive on Waste Electrical and Electronic Equipment (WEEE):

The symbol on the product or its packaging indicates that this product must not be disposed of or dumped with your other household waste. Instead, it is your responsibility to dispose of your waste equipment by relocating over to a designated collection point for the recycling of waste electrical and electronic equipment. Proper separate collection and recycling of your waste equipment will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For more information about electronic and electrical waste equipment, please contact your local authority, household waste disposal service, or where you purchased your product.

ROHS Compliance

This product is in compliance with Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

DECLARATION OF CONFORMITY

R2P PET, Inc hereby declares that this product is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC. This declaration of conformity may be consulted in the support section of our web site: www.DetailsDog.com
