Solder
Board-Component
View 1

Solder Board-Component View 2	 A photograph of a small, rectangular electronic component, likely a solder mask or a small PCB, placed on a blue textured surface. The component is positioned next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component spanning approximately from the 10 mm mark to the 40 mm mark. The component has a dark, possibly black or dark brown, surface with some visible soldering or components.
Solder Board-Component View 3	 A photograph of a larger, more complex electronic component, likely a solder mask or a larger PCB, placed on a blue textured surface. The component is positioned next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component spanning approximately from the 10 mm mark to the 80 mm mark. The component has a dark, possibly black or dark brown, surface with various electronic components, including what appears to be a large square chip in the center, and several smaller components and soldering points.
