88015240

MADE IN CHINA

Compatibility:

Above Android 3.2-4.3 System & IOS System

Heineken International B.V.
Stadhouderskade 79, 1072 AE Amsterdam

Warnings:

- Do not subject the unit to excessive force, shock, dust or humid environments
- Do not immerse the unit in water. If you spill liquid over it, dry it immediately with a soft, lint-free cloth.
- Do not clean the unit with abrasive or corrosive materials.
- Do not tamper with the unit's internal components.
- Only use fresh batteries.
- When disposing of this product, please obey the environmental protection policy
Do not dispose old batteries as unsorted municipal waste. Collection of such waste separately for special treatment is necessary.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC ID: 2AEPX71473

Model No: 71473

Brand Name: Heineken

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation
