Subject: TCB Services, FCC 2.933 Change in Identification

Attn. Dan Crowder,

Please change the identification of equipment for the following two certified products from Thomas & Betts to Xodus Innovations, LLC. These two products were acquired by Xodus through the acquisition of a business segment. There will be no change in construction of these products other than labeling and they will continue to be made in the same factories with the same components and assembly processes as used by T & B. The original test results continue to be representative of and applicable to the equipment bearing the changed identification. Xodus will assume responsibility for continued compliance with FCC rules.
