A gold-colored smartphone is shown from the back, lying flat on a light blue surface. The phone has a rectangular shape with rounded corners and a thin gold border. In the center of the back panel is a black wireless charging symbol, consisting of a battery icon with three concentric curved lines above it. At the top center, there is a small, vertical rectangular cutout for a camera lens. To the left of the phone is a black ruler with white markings. The ruler has two scales: the top scale is in centimeters (0 to 10) and the bottom scale is in millimeters (0 to 100). The ruler is placed vertically, with the phone's top edge aligned with the 0 mark on the centimeter scale. The ruler also features the text "BOSI TOOLS" and "BS181360" in white.
