ETAUDBTBLK

ETAUDBTTL

ETAUDBTRD

Thank you for purchasing one of ReTrak’s many top quality accessories. We would appreciate it if you take a few moments to read through these instructions. This will help explain the easy and effective way to use this product and allow it the long-lasting life that ReTrak’s products are designed for.

GETTING STARTED

CHARGING YOUR EAR BUDS

IMPORTANT: Your ear buds operate on a built-in rechargeable lithium-ion battery. Although the battery was fully charged when it left our factory, like all batteries it can experience some power drain during periods of non-use. For best results, we recommend that you charge the battery for approximately 3 hours before using your ear buds for the first time.

- 1. Connect the micro USB plug on the charging cable to the micro USB port.
- 2. Connect the standard USB plug on the charging cable to any standard USB power port such as found on a notebook computer or USB charger.
- 3. The LED indicator will glow red while the ear buds are charging. The LED indicator will turn off when the battery is fully charged.

Bluetooth Pairing Instructions

- 1. Hold the  button for ~3 seconds, you will hear a “beep”.
- 2. When attempting to pair to device, lights will blink blue and red.
- 3. After successfully pairing to your device, you will hear a “beep” which indicates the earbuds are paired.
- 4. To power off, hold the  button down for ~3 seconds. You will hear a “beep” indicating the power is off.

Controls

-  Play/Pause/Answer Call/End Call
- + Volume Up
- Volume Down

Long Press:

-  Power on/off
- + Track Forward
- Track Back

Double Press:

-  Redial

Warranty

Emerge Technologies, Inc. Limited Warranty Statement complete information regarding EmERGE’s warranties is listed below.

EMERGE TECHNOLOGIES, INC. (“EmERGE”) warrants to the original end user customer of its products specified below that its products are free from Material Defects as defined herein. Subject to the conditions and limitations set forth below, EmERGE will, at its option, either repair or replace any part of its products that prove materially defective by reason of improper workmanship or materials. Material Defects are herein defined as non-cosmetic defects in a product’s materials and workmanship which cause a malfunction in the product during proper use. Repaired parts or replacement products will be provided by EmERGE on an exchange basis, and will be either new or refurbished to be functionally equivalent to new. If EmERGE is unable to repair or replace the product, EmERGE will, at its option, refund or credit the current value of

the product at the time the warranty claim is made or substitute an equivalent product.

Notwithstanding any other provision contained herein, this limited warranty does not cover any damage to a product that results from improper installation, accident, abuse, misuse, natural disaster, insufficient or excessive electrical supply, abnormal mechanical or environmental conditions, or any unauthorized disassembly, repair, or modification. This limited warranty also does not apply to any product on which the original identification information has been altered, obliterated or removed, has not been handled or packaged correctly, has been sold as secondhand or has been resold contrary to the US export regulations. This limited warranty covers only repair, replacement, refund or credit for materially defective products that are manufactured by EmERGE, as provided above. EmERGE is not liable for, and does not cover under warranty, any loss of data or any costs associated with determining the source of system problems or removing, servicing or installing EmERGE products. This warranty excludes third party software, connected equipment or stored data. In the event of a claim, EmERGE’s sole obligation shall be replacement of the hardware; under no circumstances will EmERGE be liable in any way for damages, including any lost profits, lost savings or other incidental or consequential damages arising out of the use of, or inability to use, such product.

Duration of Warranty:

The duration of the warranty is indicated on the product packaging. Certain EmERGE products specify a warranty of either one year from the time of purchase or a “Lifetime Warranty.” The Lifetime Warranty lasts during the serviceable life of the product, which is the period during which all product components are available.

Product Repair or Replacement:

If you believe that your product meets the criteria for warranty replacement, please contact EmERGE Technologies at:

877-499-6072
support@myretrak.com
1431 Greenway Drive, Suite 800 Irving, Texas 75038
(Please be prepared to provide proof of purchase.)

This limited warranty applies only to the original end user customer of the product for so long as the original end user customer owns the product. This limited warranty is nontransferable.

THIS LIMITED WARRANTY IS GIVEN IN LIEU OF ALL OTHERS INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND EXCLUDES ALL INCIDENTAL, CONSEQUENTIAL, PUNITIVE, EXEMPLARY OR SPECIAL DAMAGES.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so these limitations may not apply to you. This warranty gives you specific legal rights that may vary from state to state.

FCC Warning

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications to device will void the user’s authority to operate the device.

Battery Warning

The battery should be disposed of according to local regulations. Do not dispose of the battery in fire, as it may cause an explosion.

Prepared for:Linpaworld Group Li Mited

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
