

Annex B.iii. Photograph: Test Setup Photo

 A photograph showing a wooden table in a test chamber. On the table is a white rectangular device, possibly a smartphone or a small tablet, resting on a white foam pad. A power strip with multiple outlets is on the table, and a power cord is connected to it. The floor of the chamber has some yellow and red markings. The background shows the interior of the test chamber with a grey wall.	 A photograph showing a side view of the test setup. The white rectangular device is on a white foam pad on a wooden table. A power strip is on the table, and a power cord is connected to it. The background shows the interior of the test chamber with a grey wall.
