

Annex B.iii. Photograph: Test Setup Photo

 A photograph showing a wooden table in a test chamber. On the table is a white rectangular device, likely a smartphone, and a power strip with multiple outlets. A black power cord is connected to the device and the power strip. The background shows the interior of a test chamber with a metal frame and some equipment on the floor.	 A photograph showing a side view of the test setup. A power strip is on a wooden table, connected to a white rectangular device. A black power cord is visible. The background shows the side of the test chamber.
Conducted Emissions Test Setup Front View	Conducted Emissions Test Setup Side View
 A photograph of a test setup in a large anechoic chamber. The device is mounted on a black rectangular board, which is placed on a white rectangular platform. The platform is covered with a reflective material. The background shows the interior of the chamber with a grid of reflective panels.	 A photograph of a test setup in a large anechoic chamber.
