RE: Request for Confidentiality
Applicant: Inepro BV
FCC ID: 2AFBFSCR708

To Whom It May Concern:

Request is hereby submitted by Inepro BV to withhold permanently from public review certain portions of this application for equipment certification. This request for confidentiality is made pursuant to the Canadian *Access to Information Act*. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description

Rationale for request for confidentiality:

Inepro BV has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ricardo Groen". To the right of the signature, the date "2-11-2016" is written in blue ink.

Ricardo Groen
Research & Development Director
