230mm

150mm

**1. Charge First & Power On**

- Fully charge the device with included Type-C cable until the LED turns green.
- Slide the switch to turn on the bird feeder.

**2. Download the App**

- Download the **wobirdy** app from your app store, or scan the QR code for a quicker download shortcut.
- Create an account and pair your bird feeder camera with the app by following the onscreen instructions.

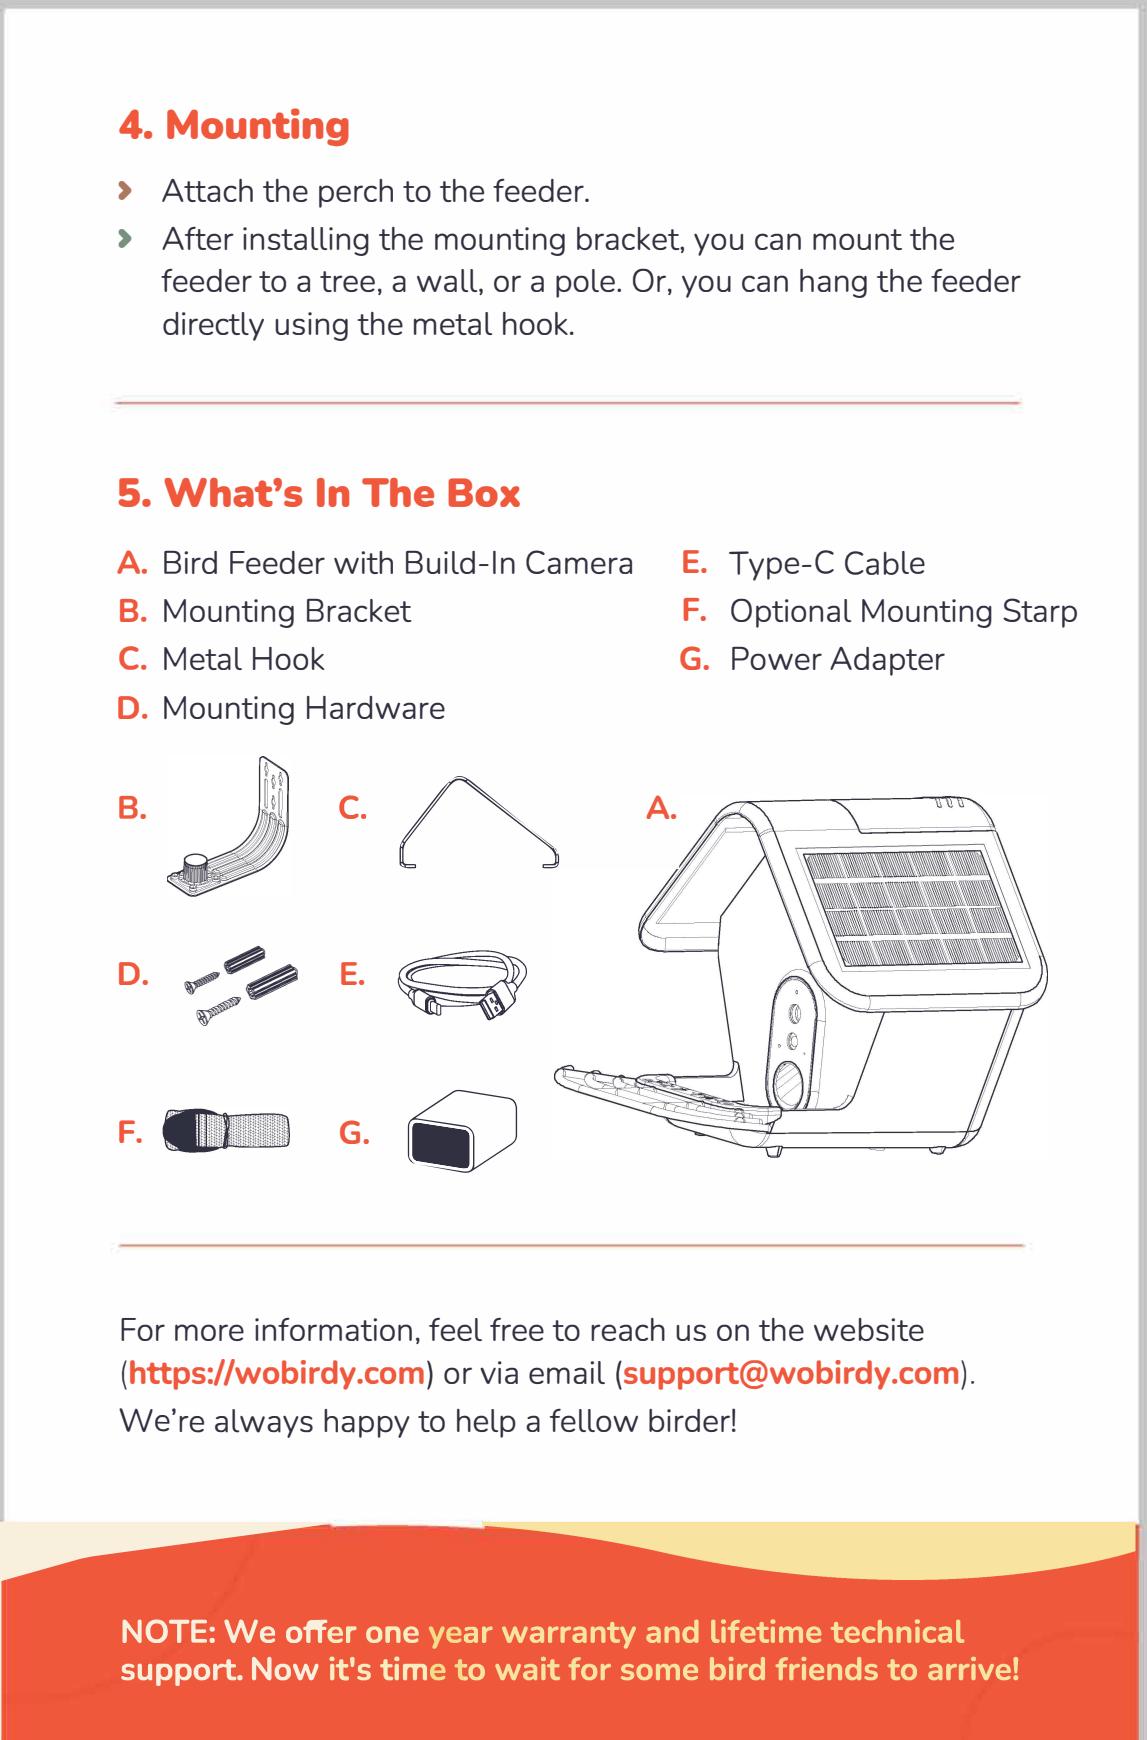

**3. Feeder Setup**

- Fill your feeder with the seed of your choice. (Note that the seeds should not exceed 1 inch in length or width, and should not be too damp.)
- Make sure the camera is connected.
- Tap the feeding icon on the live preview screen to start feeding.
- You can set up a scheduled feeding plan in settings.

背面

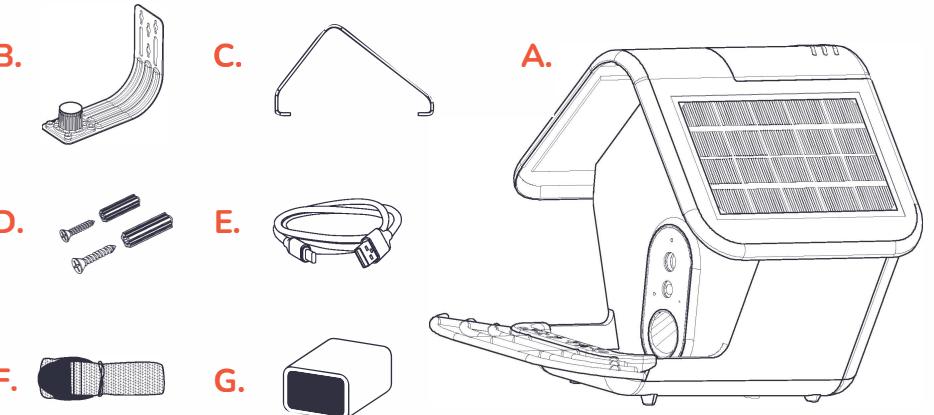

**4. Mounting**

- Attach the perch to the feeder.
- After installing the mounting bracket, you can mount the feeder to a tree, a wall, or a pole. Or, you can hang the feeder directly using the metal hook.

**5. What's In The Box**

A. Bird Feeder with Build-In Camera	E. Type-C Cable
B. Mounting Bracket	F. Optional Mounting Starp
C. Metal Hook	G. Power Adapter
D. Mounting Hardware	

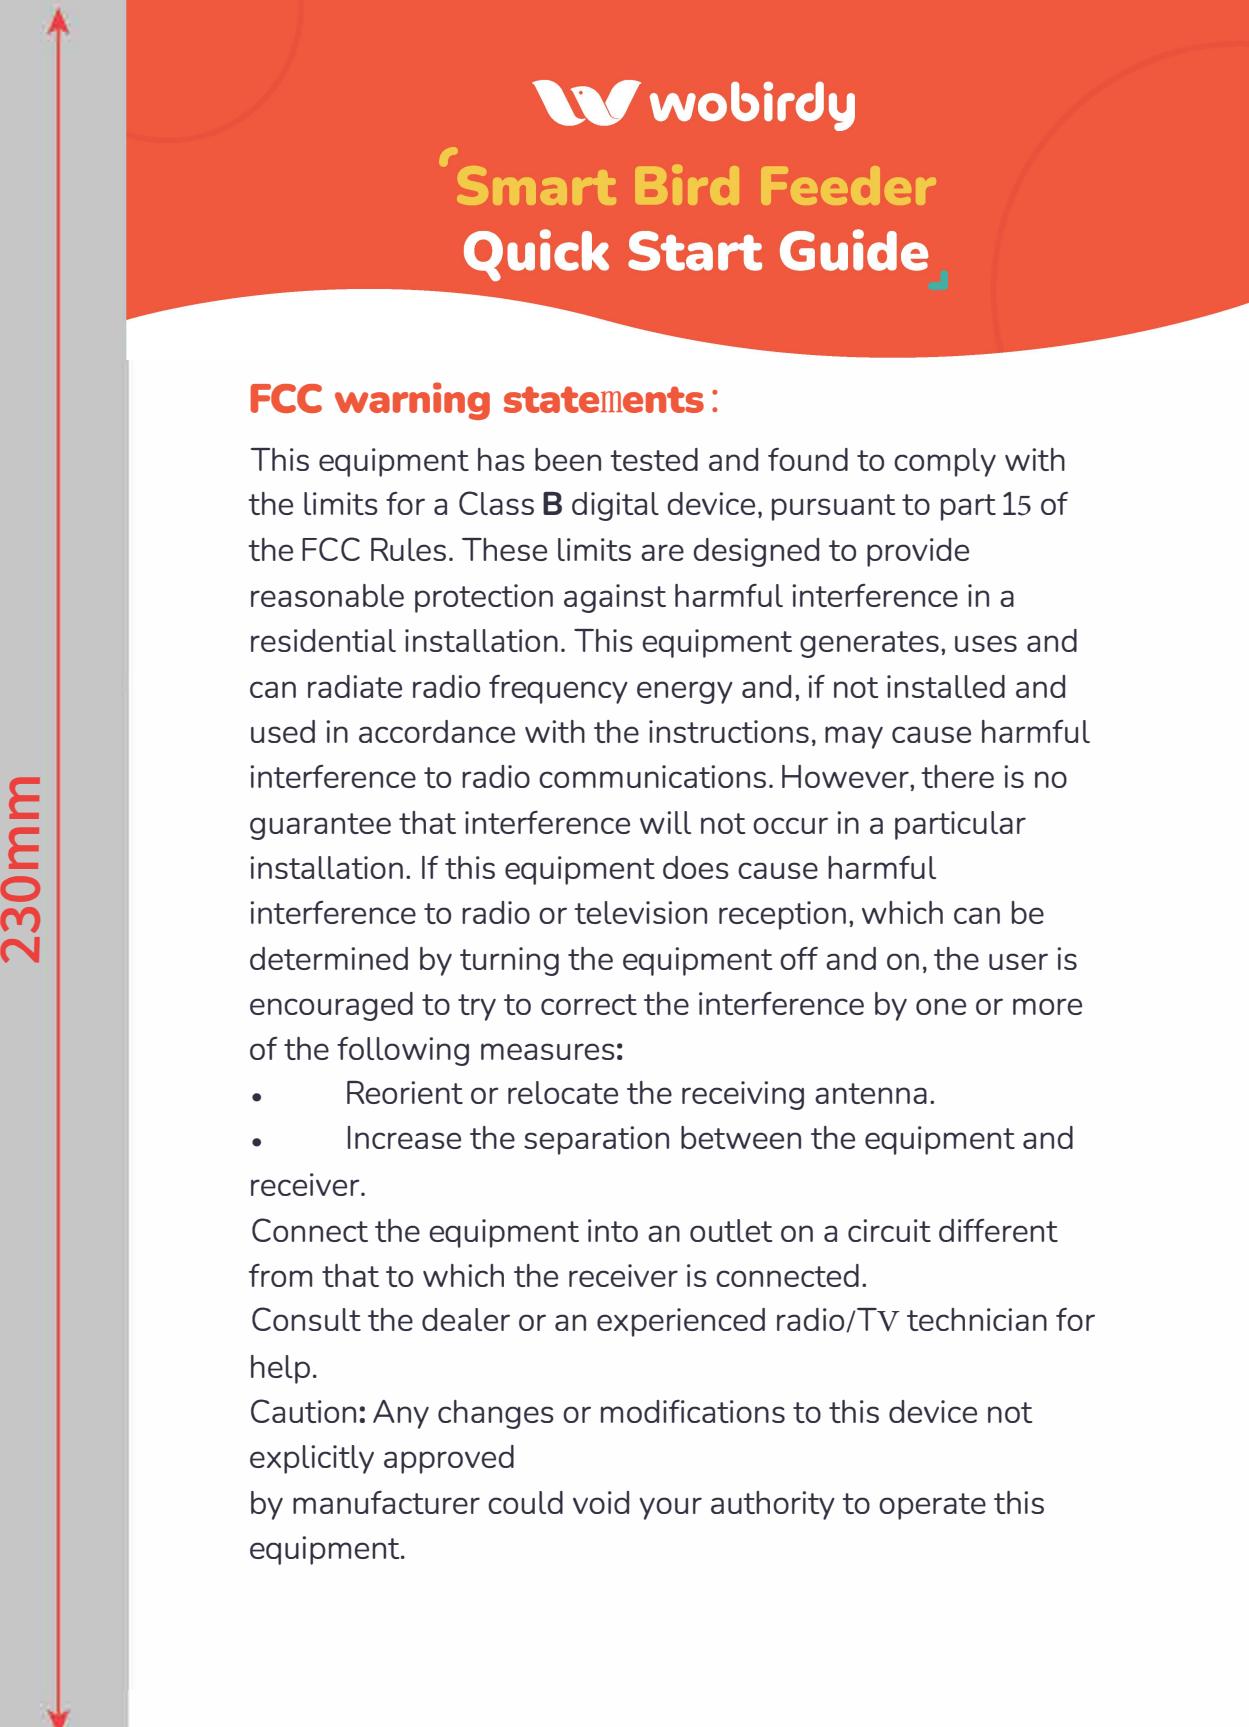

For more information, feel free to reach us on the website (<https://wobirdy.com>) or via email ([support@wobirdy.com](mailto:support@wobirdy.com)). We're always happy to help a fellow birder!

**NOTE: We offer one year warranty and lifetime technical support. Now it's time to wait for some bird friends to arrive!**
