

Federal Communication Commission
Equipment Authorization Division, Application Processing Branch
7435 Oakland Mills Road
Columbia, MD 21048

Product: Sensgate, SSG-002
FCC ID : 2AFCP-002

Statement in regards of FCC rule part §15.19 (5) Labeling requirements

The SSG-002 is only 80 mm in diameter and is therefore smaller than the average palm of the hand and, consequently, the appropriate labeling requirement of FCC rule part 15.19 is included in the User Manual instead of being on the product label.
