This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation. / Cet appareil est conforme à la partie 15 des règles FCC. Son fonctionnement est soumis aux deux conditions suivantes: (1) Cet appareil ne doit pas provoquer d'interférences nuisibles et (2) cet appareil doit accepter toute interférence reçue, y compris les interférences pouvant entraîner un fonctionnement indésirable.

The image shows the front view of a rectangular electronic unit. It features a black rectangular label in the center with white text and logos. The label includes the VICTROLA logo, model information (VPS-400), power supply details (AC 100-240V-50/60HZ, 40W I USB: 5V 500MA), impedance (6Ω), and manufacturing location (MADE IN CHINA). It also contains safety warnings in multiple languages and regulatory compliance information (UL 62368-1, FCC ID: 2AFHW-VPS400, IC: 9577A-VPS400). Above the main label, there is a smaller pink rectangular label with the text 'DATE CODE LABEL' and '4.5mm X 24mm'. The unit has a small protrusion at the top center and four circular ports at the bottom.

The image shows the back view of the same rectangular electronic unit. It features a black rectangular label in the center with white text and logos, identical to the front view. The label includes the VICTROLA logo, model information (VPS-400), power supply details (AC 100-240V-50/60HZ, 40W I USB: 5V 500MA), impedance (6Ω), and manufacturing location (MADE IN CHINA). It also contains safety warnings in multiple languages and regulatory compliance information (UL 62368-1, FCC ID: 2AFHW-VPS400, IC: 9577A-VPS400). Above the main label, there is a smaller pink rectangular label with the text 'DATE CODE LABEL' and '4.5mm X 24mm'. The unit has a small protrusion at the top center and four circular ports at the bottom.
