9. Specification

Model Name	R405
Announced Date	October, 2014
Operating System	Android 4.4
Solution	Rock-Chips Rk3288
CPU	1.8GHz Quad-Core Cortex A17CPU
GPU	Mali-T764
RAM	2GB DDR3 RAM
Int. Memory	16GB /32GB
Ext. Memory	MicroSD Max 32GB
LCD SIZE	9.7 inch
Resolution	2048x1536
Screen	Capacitive/Multi-touch 10 Points
WiFi	2412-2462MHz
Bluetooth	4.0
Audio	MP3,AAC,FLAC,APE,WMA,WAV,OGG
Video	Max support 1080P (1,920 x 1,080)
Camera	Rear 8.0 Mega pixel w/ Auto-Focus Front 2.0 Mega pixel
USB	Micro USB 2.0
Audio output	3.5mm Stereo interface, 0.7W*1 speaker
Button	Power button
Battery	8200mAh
Battery life	Up to 8 hours video (Wi-Fi off)

Power adapter	5V 2A
Dimensions	240mm(H)x168mm(W)x7.6mm(T)
Weight	~520g

Federal Communications Commission (FCC) Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

● Reorient or relocate the receiving antenna.
● Increase the separation between the equipment and receiver.
● Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
● Consult the dealer or an experienced radio/TV technician for help.

Warning: Changes or modifications made to this device not expressly approved by Hummingbird System Inc may void the FCC authorization to operate this device.

Note: The manufacturer is not responsible for any radio or tv interference caused by unauthorized modifications to this equipment. Such modifications could void the user's authority to operate the equipment.
