**Federal Communications Commission**  
7435 Oakland Mills Road, Columbia, MD 21046  
Attn.: Equipment Authorization Branch

**FCC Change of ID Request Letter**

To Whom It May Concern:

This change of identification request applies for a new FCC ID as established in 47 CFR Part [2.933\(b\)](#) for a currently approved device.

Currently approved device (original)

FCC ID: 2AC7Z-ESPS3WROOM1U

Model: ESP32-S3-WROOM-1U

Grant holder: Espressif System

Grant date: March 31, 2022

New device

New FCC ID: 2AFLZSPS3WROOM1U

New Model: ESP32-S3-WROOM-1U

This is to declare that the new model is identical in design and construction to the originally approved model. The original test results are applicable and representative of this changed device. The documents on file with FCC from the original certification remain unchanged and continue to be valid.

Should there be any question, please feel free to contact us.

Sincerely,
