Date: Oct. 09, 2015

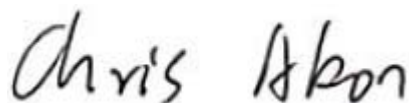

To: Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD

FCC ID: 2AFOYLBA-057-AA

To Whom It May Concern:

The Back cover of LeVR COOL 1 can be opened; other places are not enough to place the label. So ID label is placed inside the device. The customers will shift the channel as the user manual follows, they will easy to check the ID label. The solder will remind the customers to check ID label location at the time of purchase.

Sincerely,
