Date: 2021-7-4

Dear Sir/Madam,

Subject: FCC Class permission change for FCC ID: 2AFZZK19G

Original Grant Date: 4/13/2021

This project is a CIIPC submission to our product: mobile phone, model: M2103K19G / M2103K19PG, the device is identical to the previous certified except for the changes as below:

Increase N38 bandwidth configuration

Model name	Original N38 configuration	New N38 configuration
M2103K19G / M2103K19PG	20MHz	20MHz; 15MHz; 10MHz

Except for the above changes, everything else is exactly the same

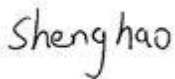

The test plan is as follows:

Standard	Test Strategy based on Original report
Part 22/24/27	Supplement N38 to increase testing
FCC SAR	Supplement N38 RF conducted power

Thank you.

Sincerely.
