Product Equality Declaration

We, **Xiaomi Communications Co., Ltd** declare on our sole responsibility for the product as below:

This PED covers the following product:

M2503E1

To optimize the performance of the headphones, five ESD (electrostatic discharge) components were removed from the headphone motherboard. This change has no impact on the RF parameters or performance.

The information of the five removed models is as follows:

Remove component names	Components Placement	Function
WE05DGCMS-BH	D22	Anti-static function
WE05DGCMS-BH	D20	Anti-static function
WE05DGCMS-BH	D19	Anti-static function
WE05DGCMS-BH	D9	Anti-static function
WE05DGCMS-BH	D21	Anti-static function

The battery label of the charging box has been modified in terms of silk-screen printing. Only the specifications of the silk-screen printing have changed, while there are no other differences.

Except Listings above, same as the original model.

Should you have any questions or comments regarding this matter, please have my best attention. Sincerely

yours,
