To whom it may concern:

We, Xiaomi Communications Co., Ltd. attest that this device under FCC ID: 2AFZZPTEBG complies with device protocol requirements and operational restrictions: for indoor client 6XD.

1. Device Protocol Attestation Statement:
  - a. Statement that the device will only associate and connect with a low-power indoor access point or subordinate device and never directly connect to other client devices.
  - b. Statement that this device will always initiate transmission under the control of a low-power indoor AP or subordinate except for brief transmissions before joining a network. These short messages will only occur if the client has detected an indoor AP or subordinate operating on a channel. These brief messages will have a time-out mechanism such that they will not continually repeat the request if they do not receive a response from an AP.
  - c. Statement that transmissions will be lower or equal to the power advertised by the indoor low-power access point or subordinate and never above the maximum output power allowed by the FCC grant for equipment class 6XD.
2. Understanding of Statement acknowledging device restrictions:
  - a. Control of or communications with unmanned aircraft systems is prohibited, including drones.
