

Miss On the Go by Miss VV Mystery inc.

Dimensions of the product
(Miss On the Go):

Body

Length: 9,5 cm

Height: 3,6 cm

Antenna

Length: 14,6 cm

Height: 0.7 cm

Since the product is very small (dimensions written above), and functionality requires silicon moulding, it is not practical to write the manufacturer name and the model number on the product. These items will be documented in the user manual.

The FCC and IC numbers on the antenna using embossed lettering .

FCC ID: 2AG6D-MOTG IC: 21001-MOTG
