

Internal Photos of EUT

The image shows a Huawei E3377 4G LTE mobile broadband module. The module is a small green PCB with gold-plated pins at the bottom. It is placed next to a stainless steel ruler for scale. The ruler shows centimeters from 10 to 100. The module's label includes the Huawei logo, model number E3377, and various regulatory markings like CE and FCC. A red box highlights the label area, and a red arrow points to it with the text "RF module".
