

Antenna specification

Manufacturer: WizarPos International Co., Ltd.

Address: 4F, No 507 Wuning Rd, Shanghai, China

PN	Internal Antenna
Standard	NFC
Frequency	13.56MHz
Antenna Gain	0dBi
FeedImpedance	30.8ohm
Q	28
La	360nH
Rs	30.58ohm
Rp	30.93ohm
Workingprinciple Interface	LCoscillator Directconnected

Antenna Size

We, WizarPos International Co., Ltd., states that All measurements were performed radiated and therefore additional antenna gain documentation is not required.
