Subject: Permanent Confidentiality Request

Certification Application FCC ID: 2AGAA-WMLNDRA915

To whom it may concern,

Harvard Engineering Ltd. confirm that the existing Test Report TTR-000920-W-US-09 for WIMAC GEN2 Leaf Node can be used to demonstrate Part 15.247 compliance of the LN-DRA-G3-915 for FCC ID:2AGAA-WMLNDRA915. The transmitter used in the LN-DRA-G3-915 is identical in all respects to the GEN2 Leaf Node, and the design is unchanged from the time that the equipment was originally tested.

Yours Faithfully

Trevor Parrett
