

Setup Photographs

Description: Radiated emission(Below 1GHz)

Description: Radiated emission(1-18GHz)

Description: Radiated emission(Above 18GHz)

Description: AC-line conducted emission

A photograph of a laboratory setup for a photoacoustic experiment. A bright blue light source is mounted on a white table, illuminating a small, dark, rectangular sample. A power supply unit is connected to the sample. A digital multimeter is visible in the background, and a small electronic device is mounted on the wall.
