# 1 Introduction

## 1.1 Introduction

Thank you for purchasing our product. EA1510 is a 15.6-inch high-quality tablet computer. Its CPU is RK3288, based on the Android 8.1 operating system, using 2GB RAM+16GB ROM, and a 5MP AF camera.

The product has multiple functions such as WiFi, Bluetooth, POE, FM, etc. Realize convenient use of the internet, with built-in various sensors to provide you with new operations and entertainment. In addition, it also has a camera function, allowing it to enter a new era of interconnectivity.

The product has multiple functions such as WiFi, Bluetooth, POE, FM, etc. Realize convenient use of the internet, with built-in various sensors to provide you with new operations and entertainment. In addition, it also has a camera function, allowing it to enter a new era of interconnectivity.

## 1.2 Notification

### Precautions

- Please always keep it dry. To avoid equipment short circuits, corrosion, etc., please prevent water and moisture from entering the equipment and charger, and do not operate the equipment or charger with wet hands.
- To avoid equipment and charger malfunctions, please prevent the equipment, battery, and charger from being subjected to severe impacts or vibrations.
- To avoid device and charger malfunctions, please prevent equipment, batteries, and chargers from overheating or becoming too cold.
- Do not impact, throw, poke, or drop, squeeze, or bend the product.
- Do not dismantle the equipment and accessories without authorization, otherwise the equipment and accessories will not be covered by our company's warranty.

## 1.3 Safety instructions

Before use, please read this chapter and convey this information to your child. For more details, please refer to the safety instructions and announcements.

- When driving a vehicle, do not operate the device to ensure safe driving.

- In the medical area, please comply with relevant rules and regulations. Please turn off the device when approaching the medical area.
- To avoid equipment malfunction, please turn off the high-precision electronic device near it.
- Please do not disassemble the device and accessories by yourself. Only authorized after-sales agents can disassemble
- It is strictly prohibited to use this equipment near high temperature and flammable gases (gas stations).
- Please keep the device and its accessories out of reach of children to avoid their use without parental supervision.
- Please comply with relevant rules and regulations, and respect the privacy and legal rights of others during use.
- When using a USB cable, please strictly follow the relevant instructions in the manual to ensure the safety of the device and PC.
- Do not use this device in the bathroom or other humid environments. Please protect the device from liquid cleaning or moisture.

## 1.4 Abbreviations/Terminology

缩写/术语	全称	备注
MID	Mobile Internet Device	移动互联终端
WIFI	Wireless Fidelity	基于 IEEE 802.11b 标准无线局域网
T F	TransFlash	超微型存储卡

## 2 Equipment Description

### 2.1 Equipment operation and preparation

#### charging

1. Please use the power adapter provided with the device to charge it

### 2.2 Device Status and Reminders

#### Icon

When some reminder messages appear in the reminder window, click on the list and slide the screen to open the reminder list. Select the desired menu and confirm the information. Then you can close the reminder window by clicking on the list that slides up. Please refer to the following status icons:

	mail		Airplane mode
	USB connected		USB debug
	Return		Download
	recently used application		Home
	Volume+		WIFI
	Volume-		

#### Prompt bar

When a new email is received, a prompt icon will be displayed. Open WIFI and click on the prompt to read the detailed information.

#### Open the prompt bar

When the reminder bar displays a new reminder icon, hold down the bar and slide your

**finger down, then open the reminder board.**

# 3 Quick Guide

## 3.1 Key functions

**Key function description:**

Power button	turn on
Volume+	Volume Increase
Volume-	Volume decrease
HOME Key	Click this button in any interface to return to the Home screen
Back Key	Clicking the back button on any interface will return to the previous menu level
Set key	display recent browsing history

## 3.2 Turn on and Turn off

### Turn on

Connect the adapter to power on or support a 30WPOE network cable connection, press the power button to start the device, enter the boot screen, and then the system will enter the screen.

### Turn off

Press the eject power button to shut down.

## 3.3 Opening and closing the screen

After powering on, the screen appears to be constantly on and will not lock.

**Picture 3.1**

## **3.4 touch screen**

### **Operation**

There are the following methods to view the device's main screen, menu, and applications.

#### **Click**

When you want to use the on-screen keyboard to input or select an application in the Home screen, just touch it with your finger.

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/ TV technician for help.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

#### FCC Radiation Exposure Statement (Body > 20cm)

This equipment complied with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.」
