Subject: Request for **Permanent Confidentiality**

**FCC ID: 2AGCI-AVM2**

To Whom It May Concern:

In accordance with §0.457(d) and §0.459 of CFR 47, and KDB 726920, **ACTIVBODY INC** hereby requests permanent confidentiality for documents filed under the following exhibit types:

1. Block Diagram: ActivM2\_SCH incl Block Diag.pdf
2. Schematic Diagram: ActivM2\_SCH incl Block Diag.pdf
3. Operational Description: ActivM2 Device Operational Description.pdf

These items contain detailed system and equipment description and related information about the product which **ACTIVBODY INC** considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, **ACTIVBODY INC** also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.

We are aware that exhibit types *cover letters, attestations, label document, test reports, RF exposure information (SAR and MPE reports)*, cannot be requested to be classified confidential and are thus subject to publication, as will be documents of all other exhibits types for which we have not requested a confidentiality classification.
