

To whom it may concern,

Letter of Declaration

We, Rollease Acmeda Inc, hereby declare that the Push Pro Remote control will be manufactured under different model numbers with two-color codes. All models are exactly same and identical in electrical, mechanical construction and material design with the following exceptions:

- Model Number on the product label
- Color Code (available in White and Black)
- The presence of the "AUTOMATE" and "SMART HOME COLLECTION" marks on the front panel which appears on the following models: MT02-0101-067013, MT02-0101-050013 / MT02-0101-067018, MT02-0101-050018.

We confirm that these variations do not affect the overall performance and functionality of the remote controls:
