Solder Board-Component View 3	 A photograph showing the underside of a green printed circuit board (PCB) mounted within a white plastic housing. The PCB is populated with various electronic components, including a large gold-colored connector on the left, several integrated circuits, and surface-mount components. The text 'GC-HUB433 1.1' is visible on the right side of the board. The board is held in place by white plastic clips.
Antenna View	 A photograph of the same PCB and housing assembly, similar to the one above. A red rectangular box highlights a small component on the bottom edge of the PCB, labeled 'SRD 5422'. A red line extends from this box to a separate label box below the image. SRD Antenna

Model No.: MT02-5401-050003
