Re: Request for confidentiality
FCC ID: 2AGHF-RCOMBCM002

To whom it may concern,

We hereby respectfully request that under the provision of 47 CFR 0.459 and 0.457(d) the documents listed below and attached with this application for certification be provided with confidential status.

- Schematics
- Operational Description
- Frequency Block Diagrams
- Internal Photographs
- Parts List/ BoM
- Tune-up Procedure
- PCB Layout
- User Manual

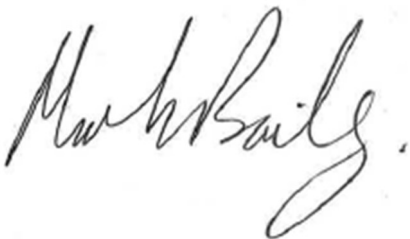

Any exhibit / information for which we have requested confidentiality, but which may not be accorded such treatment by the FCC, should be returned to us.

The documents listed above contain trade secrets that are treated as confidential by us. Substantial competitive harm to us could result should they be made available to the public.

We request long-term confidentiality for the User Manual, as it is a technical manual consisting of detailed system configuration, operational and equipment descriptions. The User Manual is only available and used by qualified technicians requiring a non-disclosure agreement for the access. Access to the technical manual may be given to our prospective customers along with sales literature and requires a non-disclosure agreement prior to issue.

We request long term confidentiality of all internal photographs, on the basis that these are non-consumer, sealed devices, installed in a secure enclosure within a restricted access building. The 2AGHF-RCOMBCM002 is only serviceable by designated technicians requiring a non-disclosure agreement for access.

Sincerely,

Mark Bailey
