Re: FCC ID: 2AGLL-AFERO-DB-01

To Whom It May Concern:

The following application is submitted on behalf of our client, Afero Inc, for evaluation of their model AFERO-DB-01 for a limited modular approval certification under FCC Part 15.247.

The AFERO-DB-01 is an Afero secure radio module development kit operating in the frequency range 2402 – 2480 MHz.

The AFERO-DB-01 was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,
