<p>CHARGING THE SPEAKER</p> <ul style="list-style-type: none"> - Plug the charging cable into the charging port of the speaker. - Plug the USB into a compatible power source - The red LED will turn on and indicate if the speaker is charging. - Once the speaker is fully charged, the red LED will turn off. When the device indicates the battery is low, approx.4-5 hours of charging time is needed to fully recharge the battery. <p>SAFETY INFORMATION</p> <ul style="list-style-type: none"> - Do not attempt to disassemble the device. - Do not expose the device to extreme heat or flames. - The speaker may become warm while charging. This is normal. - Ensure all cable connections are removed and port cap is closed and tightly sealed before getting the speaker near water. - Do not expose the speaker to water while it is charging. This may result in permanent damage to the speaker or power source. <p>PACKING LIST</p> <ul style="list-style-type: none"> - USB Charging cable - User Manual - Kraft box 	<p>FCC Statement</p> <p>This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:</p> <p>(1)This device may not cause harmful interference, and (2)this device must accept any interference received, including interference that may cause undesired operation.</p> <p>This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules.</p> <p>These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.</p> <p>If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: Reorient or relocate the receiving antenna. Increase the separation between the equipment and receiver. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.</p> <p>Consult the dealer or an experienced radio/TV technician for help. Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment. RF Exposure Information</p> <p>The device was evaluated to meet general RF exposure requirements. This equipment should be installed and used with a minimum distance of 0 mm between the radiator and your body.</p> <p>ISED Statement</p> <p>This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:</p> <p>(1) This device may not cause interference.</p> <p>(2) This device must accept any interference, including interference that may cause undesired operation of the device.</p> <p>The digital apparatus complies with Canadian ICES-3 (B)/NMB-3(B).</p> <p>French: Cet appareil contient des émetteurs/récepteurs exempts de licence qui sont conformes aux RSS exemptés de licence d'Innovation, Sciences et Développement économique Canada. L'exploitation est soumise aux deux conditions suivantes :</p> <p>(1) Cet appareil ne doit pas provoquer d'interférences.</p> <p>(2) Cet appareil doit accepter toute interférence, y compris les interférences susceptibles de provoquer un fonctionnement indésirable de l'appareil.</p> <p>l'appareil numérique du ciem conforme canadien peut - 3 (b) / nmb - 3 (b).</p> <p>This device meets the exemption from the routine evaluation limits in section 2.5 of RSS 102 and compliance with RSS 102 RF exposure, users can obtain Canadian information on RF exposure and compliance.</p> <p>ce appareil est conforme à l'exemption des limites d'évaluation courante dans la section 2.5 du cnr - 102 et conforme avec rss 102 de l'exposition aux rf, les utilisateurs peuvent obtenir des données canadiennes sur l'exposition aux champs rf et la conformité.</p> <p>This equipment complies with Canada radiation exposure limits set forth for an uncontrolled environment.</p> <p>Cet équipement est conforme aux limites d'exposition aux rayonnements du Canada établies pour un environnement non contrôlé.</p> <p>The device has been evaluated to meet general RF exposure requirement. This equipment should be installed and operated with minimum distance 0mm between the radiator & your body.</p> <p>L'appareil a été évalué pour répondre aux exigences générales d'exposition aux RF. Cet équipement doit être installé et utilisé avec une distance minimale de 0 mm entre le radiateur et votre corps.</p>
