

## Description of Permissive Change

The report is prepared for FCC class II permissive change. The differences compared with original report are listing as below:

1. Converting the DTS filing from 15.247 to 15.407 under new rule
2. Updating U-NII-3 filing to under new rule.
3. Adding U-NII-1 band through updating software version.

Please refer to test repots for more details about the test items.
