Handset : HC315
Work voltage: 4,5V
Frequency: 2.4GHz
FCC ID:2AH9H−HC315
IC:21543−HC315
limoss(Shenzhen)Co.,Ltd. Designed by
limoss Germany. Assembled in China. CE

Technology Standard:
1.Clear handwriting , correct color , accurate model and surface without scratch
2.Operating temperature range -20 to +60 degrees , the minimum temperature of -4 degrees labeling
3.Color : word in black with white background
4.Font : in accordance with file
5.Indefinite tolerances: x=±0.2mm

File:					Suggestive			Material: White PET+OPP / Brightening		
Modify the record								Scale: 1:1		Weight:
