EUT View 5	 A black mobile phone is shown from a top-down perspective. It has a small antenna on the right side and a black protruding component at the bottom. The phone is placed next to a black ruler with white markings, which is oriented vertically. The background is a light blue textured surface.
EUT View 6	 A side view of the black mobile phone is shown. The antenna is visible on the right side, and the black protruding component is visible on the left side. The phone is placed next to a black ruler with white markings, which is oriented horizontally. The background is a light blue textured surface.

EUT View 7	 A photograph showing the back of a black electronic device, likely a mobile phone, lying on a blue textured surface. A black ruler with white markings is placed vertically to the left of the device. The device has a rectangular shape with rounded corners and a central camera lens. A small white label with text and a CE mark is visible near the bottom center of the device. The ruler shows measurements in millimeters and centimeters.
EUT View 8	 A photograph showing the front of the same black electronic device, lying on a blue textured surface. A black ruler with white markings is placed horizontally below the device. The device has a large, dark screen and a small speaker grille at the bottom. The ruler shows measurements in millimeters and centimeters.
