

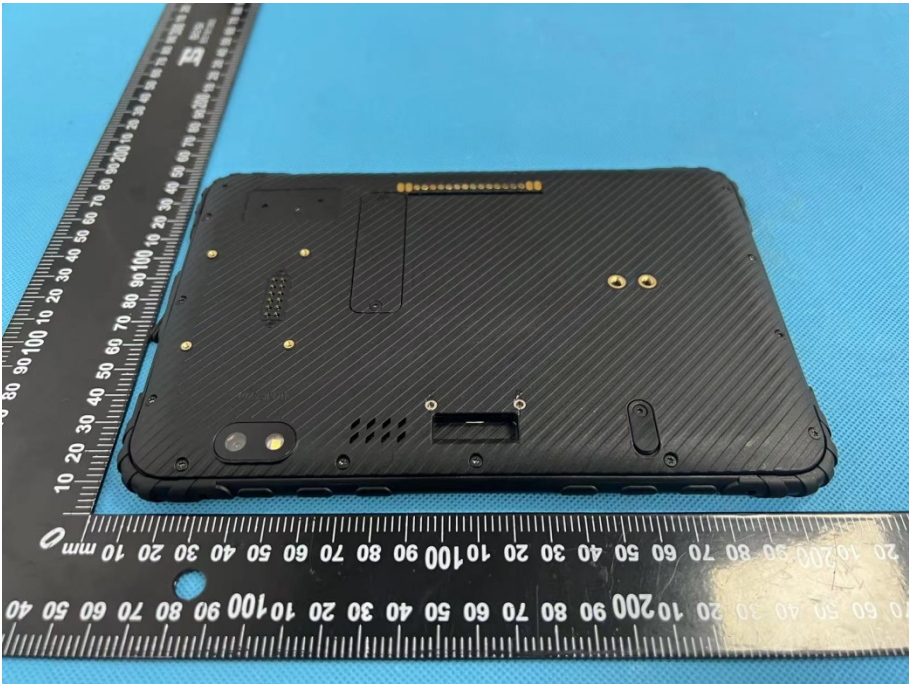

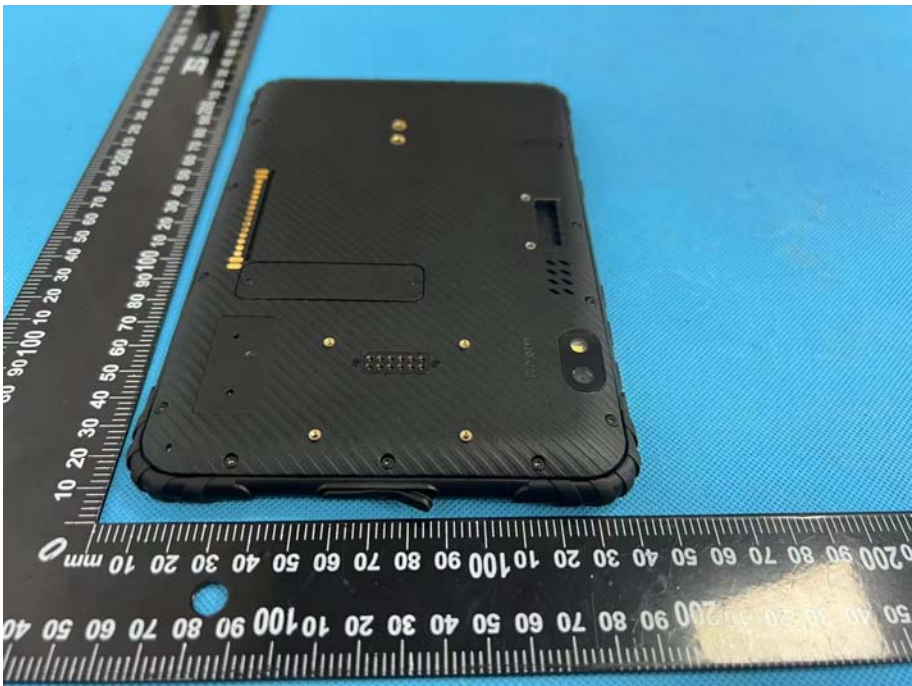

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	
EUT View 2	

EUT View 3	 A photograph showing the back of a black electronic device, possibly a mobile phone or PDA, lying on a blue textured surface. A black L-shaped ruler is placed around the device for scale. The ruler has white markings in millimeters and centimeters. The device has a textured back cover, a camera lens at the bottom left, a speaker grille, and a charging port. There are several gold-colored pins or connectors visible along the top and left edges of the device.
EUT View 4	 A photograph showing the back of the same black electronic device from a slightly different angle than View 3. It is still on the blue textured surface with the black L-shaped ruler. The device's features, including the camera, speaker, and charging port, are visible. The gold-colored pins are also present.

EUT View 5	 A photograph showing the back of a black mobile phone. The phone is positioned vertically on a blue textured surface. A black ruler with white markings is placed horizontally across the middle of the phone. The ruler has two scales: one in centimeters (0 to 10) and one in millimeters (0 to 10). The phone's back features a textured pattern, a small rectangular cutout near the top, and several gold-colored screws. The camera lens and flash are visible on the right side.
EUT View 6	 A photograph showing the back of a black mobile phone, similar to View 5 but from a slightly different angle. The phone is positioned vertically on a blue textured surface. A black ruler with white markings is placed horizontally across the middle of the phone. The ruler has two scales: one in centimeters (0 to 10) and one in millimeters (0 to 10). The phone's back features a textured pattern, a small rectangular cutout near the top, and several gold-colored screws. The camera lens and flash are visible on the right side.
