OPERATION MANUAL

MWC8-1003-GRY

V1.0 0625

**IMPORTANT: TO PREVENT DAMAGE TO THE DEVICE,  
DO NOT MANUALLY TURN THE CHARGING AREA.  
ONLY TURN USING THE TOUCH ACTIVATION BUTTON.**

**CAUTION:**To prevent damage to the phone or the charger: Remove metal cases, or cases with any magnet/metal components, from phone before charging. Do not place metal objects on the charger during charging. Qi wireless chargeable phones with metallic looking finishes will charge normally. Note: Very thick phone cases can obstruct wireless charging. For effective charging, it may be necessary to reposition the phone or remove the case. Note: Wireless chargers generate heat when charging, and the charger may temporarily stop charging if it gets too hot.

## SAFETY INSTRUCTIONS

Read all the instructions before using the product and store them for future reference. Failure to follow these safety instructions could lead to fire, electrical shock, personal injury, property damage, or damage to the product.

- Place the product on a sturdy, flat surface during use.
- Use the specified power source and voltage.
- Do not use a voltage converter/travel adapter.
- Make sure the USB cable is inserted fully in the product and the power source. When not in use, unplug the USB cable from the power source.
- Do not cover the product with paper or other materials. Use in a well-ventilated area when charging.
- Do not place magnetic strip cards or similar magnetically sensitive item between the phone and the charger. Wireless charging uses magnetic induction that could damage these items.
- Do not expose the product to extremely high or low temperatures.
- Keep the product away from heat sources and direct sunlight.
- Do not expose the product to open flames.
- Do not let the product come into contact with water or liquid. If it becomes wet, immediately, and safely, unplug from the power source.
- Do not handle the product, power adapter, or USB cord with wet hands.
- Do not let dust or debris accumulate on the product.

- Do not disassemble, modify, or try to use for a non-intended purpose, and do not use if damaged or modified. Never insert objects other than the specified cables into the product.
- Do not drop or puncture the product.
- Do not use the product if it has been dropped, punctured, or damaged in any way.
- Repairs to electrical equipment should only be performed by a qualified electrician. Do not attempt to repair this product. Improper repairs may place the user at serious risk.
- Do not use abrasive cleaning solvents to clean the unit.
- If you have an internal electrical device, such as a pacemaker, consult a physician before using this product.
- This product is not a toy. Keep it out of reach of children and others who require supervision.

## INTRODUCTION

Thank you for choosing the Monster Motorized 3-in-1 Portable Charging Station! Wirelessly charge your iPhone® mobile device, Apple Watch® smart watch, and AirPods® wireless earbuds simultaneously with ultra-fast Qi2.1 technology and 22.5W of combined power.

Featuring a compact design with retractable charging stands and a touch-activated motor that allows you to position your phone flat or upright, this charging station is convenient for travel, bedside, or use near any standard wall outlet.

## FEATURES

- 15W magnetic snap wireless charging pad for iPhones®
- 2 retractable charging platforms for AirPods® (5W) and Apple Watch® (2.5W)
- Qi2.1 certified for ultra-fast, efficient wireless charging
- Touch-activated motor rotates the iPhone® charger flat or upright
- LED indicator light shows your device charging status
- Compact, lightweight design for portability and storage

## WHAT'S INCLUDED

- 3-in-1 Motorized Charger
- 30W PD Wall Adapter
- 6ft USB-C to USB-C Cable
- User Manual

## SPECIFICATIONS

- Product Dimensions: 2.66"W x 4.29"H x 2.66"D
- Input: Type-C DC 9V~3A
- Output: 2.5W, 5W, 7.5W, 10W, 15W (22.5W Max Combined)
- Fast Charging Compatibility: Qi2.1
- Number of LEDs: 1 blue/green LED indicator

## COMPATIBLE DEVICES

This wireless charging station is used for charging compatible iOS devices. These include:

- iPhone® series 12 and higher
- AirPods® Pros, 1st and 2nd generation, AirPods® 3rd and 4th generation
- Apple Watch® series 1 and higher

NOTE: This product may work with other Qi-compatible devices, but certain features including the magnetic snap function & fast charging may not be available.

## OPERATIONS

### To set up the charging station:

Insert the USB-C end of the included power cable into the USB-C port on the back of the charging station. Insert the other end into the included 30W PD wall adapter and plug it into an appropriate wall outlet.\* The charging station will automatically power on, and the LED indicator light will turn solid green to show it is ready to charge your device(s).

### LED INDICATOR LIGHT BEHAVIOR

Green Solid Light	The charging station is powered on.
Blue "Breathing" Light (the light fades in and out slowly)	Your device(s) are charging.
Blue Blinking Light	There is an issue with charging (see troubleshooting section).
Blue Solid Light	Your phone is done charging.**

\*\*NOTE: The indicator light behavior may vary depending on the type of phone and number of devices being charged. In some cases, the light will continue "breathing" even after charging is complete.

**To operate the touch-activated motor:** Press the touch activation button to rotate the iPhone charging pad between two positions, upright and flat.

**Important:** Do not attempt to manually turn the motor, as this may cause damage to the device.

\*For optimal performance, use the included 30W PD wall adapter. If you use a different wall adapter or plug the USB cable directly into a compatible charging port, be sure to verify that it supports PD charging at 9 volts.

### To use the retractable charging platforms:

Gently press on the retractable slots to open the charging platforms. When you are done using them, gently press them inward until they retract back into the charging station and click into place.

#### TO OPEN

#### TO RETRACT

### TIPS

To prevent damage to the device or the charger:

- Remove metal cases, or cases with any magnet/metal components, from phone before charging (unless it is a case intended for use with magnetic wireless chargers)
- Do not place metal objects on the charger during charging
- Qi wireless charging phones with metallic looking finishes will charge normally.

NOTE: Very thick phone cases can obstruct wireless charging. For effective charging, it may be necessary to reposition the phone or remove the case.

## TROUBLESHOOTING

The LED indicator light is blinking blue (error message).

1. Make sure you are charging your device on the correct charging platform, and that the device is properly aligned with the platform.
2. Remove metal cases from your device and be sure there are no foreign metal or metal-containing objects (e.g., keys, coins) on the charging platforms.
3. Check your power adapter and confirm it is PD compatible and outputs at 9 volts.
4. Confirm you are using the provided USB-C cable. Note that other USB-C cables may not provide enough power and could affect performance.

## FCC STATEMENT

Any changes or modifications not expressly approved by the party responsible for compliance could void this user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does not cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct interference by one or more of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

This equipment should be installed and operated with minimum distance 20cm between the radiator& your body.

## 1 YEAR LIMITED WARRANTY

Jem Accessories, Inc. Limited Warranty Policy for Monster Smart Products Last Updated: March 27, 2020  
This limited warranty contains important information about your rights and obligations, as well as limitations and exclusions that may apply to you.  
1. WHAT THIS LIMITED WARRANTY COVERS; PERIOD OF COVERAGE Jem Accessories, Inc. ("Jem Accessories"), 32 Brunswick Ave, Edison, New Jersey, USA, warrants to the owner of the enclosed Monster Smart-branded product contained in this box ("Product") will be free from defects in materials and workmanship for a period of one year. Notwithstanding the foregoing, the Warranty Period for a factory refurbished Product is one (1) year, even if installed by a professional. If the Product fails to conform to this Limited Warranty during the Warranty Period, Jem Accessories will, at its sole discretion, either (a) repair or replace any defective Product or component, with proof of purchase using original documentation. Repair or replacement may be made with a new or refurbished product or components, at Jem Accessories's sole discretion. If the Product or a component incorporated within it is no longer available, Jem Accessories may, at Jem Accessories's sole discretion, replace the Product with a similar product of similar function. This is your sole and exclusive remedy for breach of this Limited Warranty. Any Product that has either been repaired or replaced under this Limited Warranty will be covered by the terms of this Limited Warranty for the longer of (a) ninety (90) days from the date of delivery of the repaired Product or replacement Product, or (b) the remaining Warranty Period. This Limited Warranty is not transferable from the original purchaser to subsequent owners.  
2. TOTAL SATISFACTION RETURN POLICY If you are the original purchaser of the Product and you are not satisfied with this Product for any reason, you may return it in its original condition to the retailer in compliance with the retailer's return policy.  
3. WARRANTY CONDITIONS; HOW TO GET SERVICE IF YOU WANT TO CLAIM UNDER THIS LIMITED WARRANTY Before making a claim under this Limited Warranty, the owner of the Product must (a) visit [monsterilluminescence.com/support](https://monsterilluminescence.com/support) during the Warranty Period to provide notice of your warranty claim and describe the alleged failure, and (b) comply with Jem Accessories (or its authorized distributor's) return shipping instructions. Jem Accessories will have no warranty obligations with respect to a returned Product if it determines, at its reasonable discretion after examination of the returned Product, that the Product is an Ineligible Product (defined below).  
4. WHAT THIS LIMITED WARRANTY DOES NOT COVER This Limited Warranty does not cover the following (collectively "Ineligible Products"): (i) Products marked as "sample" or "Not for Sale", or sold "AS IS"; (ii) Products that have been subject to: (a) modifications, alterations, tampering, or improper maintenance or repairs; (b) handling, storage, installation, testing, or use not in accordance with any quick start guide, manual or other instructions provided by Jem Accessories; (c) abuse or misuse of the Product; (d) breakdowns, fluctuations, or interruptions in electric power or the telecommunications network; or (e) Acts of God, including but not limited to lightning, flood, tornado, earthquake, or hurricane; or (iii) any non-Jem Accessories branded hardware products, even if packaged or sold with Jem Accessories hardware. This Limited Warranty does not cover consumable parts, including batteries, unless damage is due to defects in materials or workmanship of the Product, or software (even if packaged or sold with the product). Jem Accessories recommends that you use only authorized service providers for maintenance or repair. Unauthorized use of the Product or software can impair the Product's performance and may invalidate this Limited Warranty.  
5. DISCLAIMER OF WARRANTIES Except as stated above in this limited warranty, and to the maximum extent permitted by applicable law, Jem Accessories disclaims all express, implied, and statutory warranties and conditions with respect to the product, including the implied warranties of merchantability and fitness for a particular purpose.

To the maximum extent permitted by applicable law, Jem Accessories also limits the duration of any applicable implied warranties or conditions to the duration of this limited warranty.  
6. LIMITATION OF DAMAGES In addition to the above warranty disclaimers, in no event will Jem Accessories be liable for any consequential, incidental, exemplary, or special damages, including any damages for lost data or lost profits, arising from or relating to this limited warranty or the product, and Jem Accessories's total cumulative liability arising from or related to this limited warranty or the product will not exceed the amount actually paid for the product by the original purchaser.  
7. LIMITATION OF LIABILITY The Jem Accessories online services at [monsterilluminescence.com](https://monsterilluminescence.com) ("services") provide you information ("product information") regarding your Jem Accessories products or other peripherals connected to your products ("product peripherals"). The type of product peripherals that may be connected to your product may change from time to time. Without limiting the generality of the disclaimers above, all product information is provided for your convenience, "as is", and "as available". Jem Accessories does not represent, warrant, or guarantee that product information will be available, accurate, or reliable or that product information or use of the services or product will provide safety in your home. You use all product information, the services, and the product at your own discretion and risk. You will be solely responsible for (and Jem Accessories disclaims) any and all loss, liability, or damages, including to your wiring, fixtures, electricity, home, product, product peripherals, computer, mobile device, and all other items and pets in your home, resulting from your use of the product information, services, or product. Product information provided by the services is not intended as a substitute for direct means of obtaining the information. For example, a notification provided through the service is not intended as a substitute for audible and visible indications in the home and on the product, nor for a third party monitoring service that monitors alarm state.  
8. YOUR RIGHTS AND THIS LIMITED WARRANTY This Limited Warranty gives you specific legal rights. You may also have other legal rights that vary by state, province, or jurisdiction. Likewise, some of the limitations in this Limited Warranty may not apply in certain states, provinces or jurisdictions. The terms of this Limited Warranty will apply to the extent permitted by applicable law. For a full description of your legal rights you should refer to the laws applicable in your jurisdiction and you may wish to contact a relevant consumer advisory service.  
If you need to start a warranty claim for your Monster Smart device, please reach out to Customer Support by emailing [customerservice@monsterilluminescence.com](mailto:customerservice@monsterilluminescence.com) or calling our support number 866-246-2008. Please allow 7-10 business days to process warranty claims. Customers located outside of U.S. will be responsible for all shipping costs.

## 2 YEAR EXTENDED WARRANTY
