Ontic Engineering & Manufacturing Inc. deems the Technical information in the above mentioned documents as Trade Secrets and proprietary. The information contained in the above mentioned documents have been obtained at considerable Company expense, are not normally released to any party outside of Ontic, and if made public, the information might be used to the disadvantage of the applicant in the market place.

This request is made under the provisions of Section 0.457 (d) of the Commission's Rules, and Section 552 (b)(4) of the Freedom of Information Act. These sections authorize the withholding from public inspection, those materials which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.

If you have any questions, please do not hesitate to contact us at 818-725-2111.

Sincerely,
