

# Appendix D

## 1. Test Sample

| Photo 1: Front View                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | Photo 2: Back View                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  <p>A photograph showing the front view of a small, black, rectangular electronic device. The device has a smooth, slightly rounded surface. It is placed on a blue textured background. A wooden ruler is positioned vertically to the left of the device, showing measurements from 55 to 65 cm. Another ruler is placed horizontally below the device, showing measurements from 1 to 11 cm. The text 'Made in China' is visible on the horizontal ruler.</p> |  <p>A photograph showing the back view of the same small, black, rectangular electronic device. The back view reveals a circular component in the center, possibly a camera lens or a sensor. The device is placed on the same blue textured background. A wooden ruler is positioned vertically to the left, showing measurements from 10 to 17 cm. Another ruler is placed horizontally below, showing measurements from 1 to 16 cm. The text 'Made in China' is visible on the horizontal ruler.</p> |
| Photo 3: Antenna Locations                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
|  <p>A photograph showing the internal components of the device, specifically the antenna locations. The device is open, revealing a black plastic housing. Inside, there are several circular components, likely antennas, and various electronic components and wiring. The text '10W13 V3' is visible on the top left of the internal structure. The device is placed on a blue textured background.</p>                                                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

## 2. Test positions

| Photo 4: Front side 10mm                                                                                                                                                                                                                                                                                                                  | Photo 5: Back side 0mm                                                                                                                                                                                                                                                                                                                 |
